

# GLOBAL INSIGHTS

INTERNATIONAL ASSETS ADVISORY, LLC ("IAA")

DID YOU JUST SEND YOUR "ANNUAL REPORT" TO UNCLE SAM?

Of course you did. We feel your pain! We also know, if you are like most people, you have a great feeling of relief that you finally completed the gruesome task and the last thing you want to think or talk about for a while is taxes! Ironically, however, this is the best time of the year to put the issue on the front burner. You can't do anything about '06, but there may be some ways, totally above board, to decrease your gift to our "favorite" uncle in '07.

Why now? Again, if you're like most of us, a copy of that '06 Form 1040 is still on the top of your desk and hasn't yet been consigned to the bottom of a paper pile or a file that you will scramble to look for sometime next February or March.

So, here is what we would like you to do. Pick up that 1040. Telephone your IAA financial consultant at 800 432 0000. He will review your form, particularly a half dozen or so lines that will tell him if and how you can decrease those numbers. Remember, he is not a tax consultant, so we urge you to review any suggestions he might have with your tax preparer. It may prove to be fifteen or twenty minutes well spent.

We look forward to hearing from you. Who knows, maybe we can help you to feel less pain next April!
